	Wild and exotic animals (including those who are captive-bred) have unique biological and behavioural needs that cannot be met when kept in captivity. These animals can suffer greatly when confined in unnatural environment. If elected, will you support ending the leeping of wild and exotic animals in permanent captivity, in favour of genuine resure captivity, in favour of genuine resurchab and release programs and wildlife conservation efforts?	Public sentiment surrounding the use of animals for entertainment (e.g. irrestination), and instances dog-sledding, rodeo events like calfroping, steer-wrestling and team-roping, use of wild or exocit animals for tryffinin) has shifted in recent years, due to increased awareness surrounding animal velfare concerns. If elected, will you support ending the use of animals for entertainment purposes in favour of animal and family-friendly events?	More than 100 million animals are raised and slaughtered for food every war in British Columbia. The vast majority are confined in unnatural and intensive conditions and a number of undercover investigations in record undercover investigations in record undercover investigations in record undercover investigations in record concern for animal vedfare has resulted in calls for stronger on-farm regulations, as veel as on-farm government oversight and enforcement, as opposed to leaving the animal agriculture industry to seffrequiate. If elected, will you support government regulations and oversight of the animal farming industry?		Meatless Monday is an international movement that aims to help protect animal welfare, the environment and public health by encouraging people to skip meat one day a week. This initiative to reduce our college overconsumption of animal products has seen significant growth in Metro Vancouver in event years. If elected, will you support the local Meatless Monday movement?	housing crisis and historically low vacancy rates across British Columbia, affordable pet-friendly housing is in dramatically short supply. If elected, will you support ending the	Municipalities have the ability to regulate concerns related to animals. If elected will you ensure that standards of care are outlined in your animal-related bylaws, ensuring that nuisance and welfare issues are addressed together?
