| Sylvia Bishop                        | Wild and exotic animals (including those who are captive-bell have unique biological and behavioural needs that cannot be met when kept in captivity. These animals can suffer greatly when confined in unantual environments. If elected, will you support ending the keeping of wild and exotic animals in permanent captivity, in favour of genuine rescue, rehab and release programs and wildlife conservation efforts? | Public sentiment surrounding the use of<br>animals for entertainment (e.g., circuses,<br>dog-eledding, rodero events like call-roping<br>steer-wresting and team-roping, use<br>white of events animals for tryfilm) has<br>shifted in recent years, due to increased<br>awareness surrounding animal welfare<br>concerns. If elected, will you support<br>ending the use of animals for<br>entertainment purposes in favour of<br>animal and family-friendly events? | More than 100 million animals are raised and slaughtered for food every year in ant slaughtered for food every year in British Columbia. The vast majority are confined in unantural and intensive conditions and a number of undercover investigations in recent years have revealed widespread issues of animal revealty. Growing public concern for animal weffare has resulted in calls for stronger or animal weffare has resulted in calls for stronger or any public concern for animal government oversight and enforcement, a opposed to leaving the animal agriculture industry to self-regulate. If elected, will you support government regulation and oversight of the animal farming industry? | There is growing concernus among experts that significantly reducing or eliminating our consumption of animal products is a necessary step in mitigating climate change, addressing factory farming and protecting public health. If elected, will you support efforts at the municipal level to increase availability of plant-based foods? | Meatless Monday is an international movement that aims to help protect animal welfare, the environment and public health by encouraging people to skip meat one day a week. This initiative to skip meat one day a week. This initiative to reduce our collective overconsumption of animal products has seen significant growth in Metro Vancouver in recent years. If elected, will you support the local Meatless Monday movement? | Amidst an unprecedented affordable housing crisis and historically low vacancy rates across British Columbia, affordable per-friendly housing in a dramstically short supply. If elected, will you support ending the 'no petr' rental policies?  | Municipalities have the ability to regulate concerns related to animals. If elected will you ensure that standards of care are outlined in you animal-related bylaws, ensuring that nuisance and welfare issues are addressed together?   |
| Jim Cessford                         |  |   |  |  |   |   |   |
| George Harvie<br>Moneca Kolvyn       | "Absolutely RRR-I am an avid animal advocate. Have done a lot of volunteering in the anti-positions sector in Africa and TNR privately in the lower mainland. Also have done a lot of wildlife transport to CritterCare."  | "Yes-so many options. Like so many areas-<br>we follow the path of least resistance. I was just in Yeap, excheding out the<br>supposed "rescue" big cat sanctuser, it was<br>suppose to be a ressue centre for the<br>Yeaps lions, instead they started bereding<br>and selling the "cuddle" program. Rescued<br>from one insanity to yet another!"   | "Absolutely, I have been a vegetarian since I was eight, I do incorporate some fish and chicken but don't like to. I am outraged-and protest often-at our treatment of animals. The number one thing anyone can do to help this planet is either stop, or severely restrict their meat intake."  | "YES VES and YES."   | "I just love this idea as per my comment above."  | Yes. "And I put my money where my mouth<br>is, I have rental units and I allow pets. My<br>last renters left me with a 25,000 mon<br>from leaving their dogs all day in diapers!<br>Never who me such a thing was possible.<br>Just last week-another total floor removal<br>from animal damage-and I still allow them!       | "I am running on the policy that the entire<br>bylaw book needs reviewing. And yes-<br>animals are my passion so they will be<br>seriously reviewed. Standards of care are<br>touchy, as you know, but a joint effort with<br>all involved would go a long way to positive<br>changes." |
| Alex Megalos<br>Vytas Vaitkus        |  |   |  |  |   |   |   |
| CITY COUNCIL                         |  |   |  |  |   |   |   |
| Name<br>Robert Campbell              |  |   |  |  |   |   |   |
| Dan Copeland<br>Craig Decraene       |  |   |  |  |   |   |   |
| Chen Du  Darcy Green                 |  |   |  |  |   |   |   |
| Param Grewal<br>Alicia Guichon       | Yes.   | No. "I would support looking into the<br>treatment of these animals and their<br>welfare for the range of examples given. I<br>do not have enough first hand knowledge<br>at this time to comment further,"   | Yes. "Being in the agriculture sector myself,<br>the number of farmers I know firsthand in<br>the livestock industries treat their animals<br>humanely and more like their own pets.<br>Every single farmer has deep respect for<br>these animals and would also agree to<br>more regulation to weed out those farms<br>that are giving the entire industry a bad<br>reputation."  | Yes. "Absolutely, I enjoy a plant based diet quite regularly."   | Yes.  | Yes. "I currently rent and have two rescue dogs, so YES i support this!"  | Yes.  |
| Kay Khilvinder Hale<br>Joan Hansen   |  |   |  |  |   |   |   |
