	Wild and exotic animals (including those who are captive herd) have unique biological and behavioural needs that cannot be met when kept in captivity. These animals can suffer greatly when confined in unantural environments. If elected, will you support ending the keeping of Wild and exotic animals in permanent applivity, in favour of genuine recursor enables and release programs and wildlife conservation efforts?	public entiment surrounding the use of animals for enternalment (e.g. circuses, dog-siedding, rodeo events like calif-roping, steer-westing and team-roping; use of wido or exotic animals for tryflim) has shifted in recent years, due to increased awareness surrounding animal welfare concerns. If elected, will you support ending the use of animals for entertainment purposes in favour of animal and family-friendly events?	More than 100 million animals are raised and slaughtered for food every year in Bottish Columbia. The vast majority are confined in unantural and intensive conditions and a number of undercover investigations in recent years have revealed widespread issues of animal cruely. Growing public concern for animal werfare has resulted in calls for stronger of managurent or straight and enforcement, as opposed to leaving the animal agriculture industry to self-regulate. If elected, will you support government regulations and oversight of the animal farming industry?	There is growing consensus among experts that significantly reducing or eliminating our consumption of animal products is a necessary step in mitigating climate change, addressing factory farming and protecting public health. If elected, will you support efforts at the municipal level to increase availability of plant-based foods?	Meatles: Monday is an international movement that aims to help protect animal welfare, the environment and public health by encouraging people to skip meat one day a week. This initiative to reduce our collective overconsumption of animal products has seen significant growth in Merto Vancouver in recent years. If elected, will you support the local Meatless Monday movement?	supply. If elected, will you support ending the 'no pets' rental policies?	Municipalities have the ability to regulate concerns related to animals. If elected will you ensure that standards of care are outlined in your animal-related bylaws, ensuring that nuisance and welfare issues are addressed together?
